I Call to Order and Attendance

Acting Chair Derrohn called the meeting to order at 7:04 p.m. All members were present except Summers, Scott, Eby and Letzmann. Letzmann and Scott arrived at approximately 7:20 p.m.

II Presentation

Brentt Michalek introduced Todd Heddisom and Katherine MacConnell from Northeast Michigan Council of Governments. They presented a powerpoint program entitled: “The Connection Between Land Use Practices and Water Quality”. The program included definition of a watershed, ways to protect the watershed and issues which negatively impact a watershed. A question and answer period occurred at the end of the program. CD’s of the program and other land use management information were distributed and are available at the Planning and Zoning office.

III Adjournment

Derrohn adjourned the meeting at 7:28 p.m.
