Section 26.18 Sexually Oriented Businesses

26.18.1 Purpose

It is the purpose of this Article to regulate sexually oriented businesses in order to promote the health, safety, and general welfare of the citizens of the County, and to establish reasonable and uniform regulations to prevent the deleterious secondary effects of sexually oriented businesses within the County. The provisions of this Article have neither the purpose nor effect of imposing a limitation or restriction on the content or reasonable access to any communicative materials, including sexually oriented materials. Similarly, it is neither the intent nor effect of this Article to restrict or deny access by adults to sexually oriented materials protected by the First Amendment, or to deny access by the distributors and exhibitors of sexually oriented entertainment to their intended market. Neither is it the intent nor effect of this Article to condone or legitimize the distribution of obscene material.

26.18.2 Findings and Rationale

Sexually Oriented Businesses – Excerpt from Zoning Ordinance 15-1

the Board of Commissioners finds:

A. Sexually oriented businesses, as a category of commercial uses, are associated with a wide variety of adverse secondary effects including, but not limited to, personal and property crimes, prostitution, potential spread of disease, lewdness, public indecency, obscenity,
illicit drug use and drug trafficking, negative impacts on surrounding properties, urban blight, litter, and sexual assault and exploitation. Alcohol consumption impairs judgment and lowers inhibitions, thereby increasing the risk of adverse secondary effects.

B. Sexually oriented businesses should be separated from sensitive land uses to minimize the impact of their secondary effects upon such uses, and should be separated from other sexually oriented businesses, to minimize the secondary effects associated with such uses and to prevent an unnecessary concentration of sexually oriented businesses in one area.

C. Each of the foregoing negative secondary effects constitutes a harm which the County has a substantial government interest in preventing and/or abating. This substantial government interest in preventing secondary effects, which is the County’s rationale for this Ordinance, exists independent of any comparative analysis between sexually oriented and non-sexually oriented businesses. Additionally, the County’s interest in regulating sexually oriented businesses extends to preventing future secondary effects of either current or future sexually oriented businesses that may locate in the County. The County finds that the cases and documentation relied on in this Ordinance are reasonably believed to be relevant to the secondary effects.

The County adopts and incorporates herein its stated findings and legislative record related to the adverse secondary effects of sexually oriented businesses, including the judicial opinions and reports related to such secondary effects.
